Our units feature fully enclosed container enclosures, delivering windproof, rainproof, dustproof, and noise-reducing performance while enabling easy mobility.

Housed in a 20-foot container, this system integrates solar PV, energy storage, and advanced control components into a single unit, making it ...

Our Tier 4 solution is simple -- and versatile enough that the entire kW spectrum of this line is powered by the same solution. This not only ensures consistent efficiency and quality across your fleet, but it ...

Highjoule's mobile solar containers provide portable, on-demand renewable energy with foldable photovoltaic systems (20KW-200KW) in compact 8ft-40ft units.

The Clip-on Diesel Genset for Reefer Containers is designed to provide reliable power for refrigerated containers, ensuring uninterrupted cooling during transport or when shore power ...

In 2023, we developed and successfully delivered a 2200kW containerized generator set, with full-load noise below 70dBA at 1 meter distance, continuously becoming a leader in industry technological ...

Our Tier 4 solution is simple -- and versatile enough that the entire kW spectrum of this line is powered by the same solution. This not only ...

Ozturk manufactures High Quality "Custom-Made Generator Containers" provide an ideal operating environment for generators, protecting them from harsh weather conditions while providing common ...

Ozturk manufactures High Quality "Custom-Made Generator Containers" provide an ideal operating environment for ...

The 8ft Mobile Solar Container by HighJoule delivers 20KW of clean energy in a compact design. Engineered for emergency response and portable energy demands, this lightweight container offers ...
